Contents

Section No.	Title	Issue
1	Introduction	Jan 2020
2	Definitions	Jan 2023
3	Objective	Jan 2020
4	Organisation	Feb 2024
5	Operating procedures	Feb 2024
6	Costs	Jan 2020
7	Regulations	Feb 2024
8	Application and declaration	Feb 2024
9	Normative References	March 2024

Appendices

Quality and Operations Assessment Schedules

Schedule Number	Title	Date of Issue
CP & AS 1	Withdrawn	
CP & AS 2	Withdrawn	
CP & AS 3	Epoxy-Coated Steel Bars	February 2002
CP & AS 4	Manufacture of Segments	February 2002
CP & AS 5	Manufacture of Reinforcing Mesh, Non-reinforcing Mesh and Related Products	February 2002
CP & AS 6	Stainless Steel Bar Activities	February 2024
CP & AS 7	Withdrawn	
CP & AS 8	Withdrawn	
CP & AS 9	Threaded Bar Fittings	February 2002
CP & AS 10	Manufacture of Precast Concrete Units	February 2024

Revision Date: January 2025

Construction Products and Associated Services Scheme

CP & AS 11	Stocking and Distribution	February 2002
CP & AS 12	Withdrawn	
CP & AS 13	Pre-Stressing Stainless Steel Bars and Alloy and Plain Carbon Steel Threaded Ties	February 2002
CP & AS 14	Withdrawn	
CP & AS 15	Manufacture of Reinforcing Steel Mats	February 2002
CP & AS 16	Stainless Steel Bar and Coil for the Reinforcement of Concrete	February 2024
CP & AS 17	Withdrawn	
CP & AS 18	Steel Spacers	January 2018
CP& AS 19	Construction Activities Assessment Schedule	June 2010
CP & AS 20	ASTM Steel bars for reinforcement of concrete	March 2024
CP & AS 21	Withdrawn January 2023. Superseded by SSRC 01.	
CP & AS 22	Hot rolled flat steel products for the steel construction and industrial applications	March 2018
CP & AS 23	ISO 6935-2 weldable and non-weldable ribbed bars, coils and decoiled steel products for the reinforcement of concrete	June 2020
CP & AS 24	Quality and operations assessment schedule for Hong Kong Standard (CS 2) Steel Reinforcing Bars for the Reinforcement of Concrete	June 2020
CP & AS 25	IS 1786 Steel bars for reinforcement of concrete	Jan 2025
Other	Please note that product standards outside of the current CARES scope of accreditation can be certified under a flexible certification scope. The flexible scope of accreditation is subject to an annual review by UKAS	

Revision Date: January 2025
